HOTEL RETLAW poised for luxury!

OPENING 2018

Hotel Retlaw opened in 1923 during an era of incredible social, artistic, and cultural excitement. This remarkable hotel embraced the Roaring Twenties and all that happened during this unique time in history—the Neoclassical revival period peaked, and flappers redefined feminine style. Jazz music was all the rage and there was a sense of excitement in the air. Hotel Retlaw, a “Grande Dame” in its own right, embodied an unmistakable style of timeless elegance combined with modern edginess.

Today, Hotel Retlaw is poised to retake its rightful place as one of Wisconsin’s elite hotels and a preferred destination for dignitaries, and celebrities. Original hallmarks still characterize this iconic treasure in central Wisconsin, and the hotel will undergo an unprecedented renovation beginning in the autumn of 2017 that will preserve the historic significance and aesthetics of the iconic property, while infusing it with contemporary luxury.

GURU OF LUXURY, LLC

‘Enthusiastically Embracing Innovative Interior Design’

Interlaced with an understanding of the importance of Hotel Retlaw’s impact within the historic downtown district, we take into careful consideration the local culture and social fabric of the entire community.

Hotel Retlaw’s neoclassical style reflects the grandeur of a bygone era. Classic never goes out of fashion, celebrating traditional elegance. Hallmarks include carved moldings, fine woodwork, graceful lines, and finely crafted furniture. Overstuffed, sumptuous sofas, soft accent pillows, framed artwork and elegant fabric curtains are details depicted in our timeless design.

Neoclassical was the last splendidly self-indulgent decorative style. And the Roaring Twenties embodied the glitzy Art Deco era, ushering in a spirit of frivolity, luxury and a sense of freedom. Motives of modernity; flowing lines reminiscent of waves and floral forms; luxurious, refined and voluminous.

‘Guru of Luxury works extensively to value engineer all design elements, consistent with the company’s ‘affordable luxury’ industry niche. This cost conscious approach enables property owners an efficient and practical means of providing the perfect luxury experience for today’s discerning travelers,’ said Yvonne Roberts, Principal.

Crystal Ballroom & Event Space

HOTEL RETLAW | Fond du Lac, Wisconsin

The Crystal Ballroom has long been the heart of Hotel Retlaw. In the hotel's early years, the ballroom echoed with the songs of Gershwin, the beat of big band music, and the rhythm of the jitterbug. The Ballroom has hosted many notable guests over the years—from the Roosevelts to the Kennedys. The vision for Hotel Retlaw's Crystal Ballroom has not swayed with the passing of time. It lends itself to formal affairs and lavish dinners, elegant weddings, and gala celebrations. It also serves well as a perfect setting for executive conferences and corporate events.

The Hotel Retlaw will establish itself as the preferred setting for corporate groups. The Retlaw's unique attributes will distinguish the property from the typical hotel model throughout the local region. Function rooms will reflect the historic ambiance and luxurious surroundings of the iconic hotel.

Spa & Wellness Level...*Feel the Awe!*

HOTEL RETLAW | Fond Du Lac, Wisconsin

Expressive, extravagant and unexpected...designed to evoke the elegance of a bygone era in the most luxurious setting.

The Spa & Wellness Level further illustrates who I am as a designer. With a bold vision for combining lavish beauty with historical integrity, courageous modern-day strokes beautifully balancing shapes, textures, and materials.

The comprehensive transformation of Retlaw beautifully balances shapes, textures, and materials with an expression of whimsy...celebrating the lavishly, frivolous soul of this 1920's grande dame!

Cheers!
